The Lockmaster

The **Lockmaster** includes the following amenities for ease of handling and all of the comforts of a pleasant vacation home. Each appointment is thoughtfully planned and constructed. The result... a cruising delight!

<u>Engine</u>	Diesel with single lever control.
<u>Bow Thruster</u>	Standard equipment to assure safe and graceful lockings and dockings.
<u>Fuel</u>	Supplied with ample fuel for your week's hire.
<u>Shower</u>	One shower
<u>Fresh water</u>	Hot water to vanities, shower and sink. You will need to take on fresh water during your cruise.
<u>Waste Water</u>	There should be no need for a pump out during your trip.
<u>Galley</u>	Gas range with safety system and oven, stainless steel sink, hot and cold running water, electric refrigerator, cooking utensils, table service and plenty of storage space.
<u>Electricity</u>	12v for refrigeration, lighting, bilge pump and water pump. Also a 110v inverter supplies outlets for laptop, cell phone chargers and cabin fan.
<u>Shore Power</u>	The Lockmasters have shore power hook up capability. Shore power must be used when operating hair dryers or other appliances that heat up.

Player/Radio)
***Children's Life
Jackets**
Bicycle Helmets

***If your child weighs less than 30 pounds, you must bring an appropriate life jacket. If they are not used to wearing it, buy it early and have them "practice" wearing it. They must have it on during the trip.**

***In accordance with New York State law, children age 14 and under must wear a bicycle helmet.**
